McKESSON

Supported Equipment Schedule

The following list outlines the current required supported system specificat ons for EnterpriseRx®.
These supported system specificat ons may be updated by McKesson from t me to t me as may be necessary to maintain the proper operat ons of EnterpriseRx®.
Any hardware not represented in this document may not funct on as expected with EnterpriseRx and cannot be supported by McKesson.
<u>End of Life Hardware</u>
McKesson may decide to end support for a device with an email not ce provided to customers 3 months before the end-of-life date. Certain situat ons such as supply shortages may require McKesson to end support without advanced not ce.
